Although we can see the light at the end of the tunnel, our high expectations remain in order to maintain and best prepare the students for the demands of Middle School.

English:

All students have now finished writing their autobiographies and wow, aren't they terrific. It is wonderful to read and find out the significant memories and stories that have shaped these young people. They will now get their craft on to display their work throughout their scrapbooks.

Maths:

In Maths, the students will continue to compare and describe diagonals of different convex two-dimensional shapes and use measurement to determine which of the special quadrilaterals have diagonals that are equal in length.

Important:

Please be advised that Mrs Malone's Wednesday Maths group has finished for 2018. We commend the students who attended these sessions.

Kinder - Year 6: Water Safety Oasis Pool

Year 6 will begin their intensive swimming program starting on Monday Week 8 (3/12/18) through to Friday Week 9 (14/12/18). The duration of each lesson is 45 minutes, beginning at 10:30 am each day.

The water safety program will not be held on the following dates:

Friday 7th December (Yr 2-6 Swimming Carnival - Oasis Pools)

Wednesday 12th December (End of Year Mass)

Thursday 13th December (Oasis Pools not available)

Welcome:

Hello and welcome to Term 4. The year has flown by and while the end is nigh, we still have a couple of busy weeks left of term. We as a team are so happy to have been given the opportunity to share this year with our fantastic students.

Students only wear their sports uniform on their specific sports days. They will need to have each day swimmers, towel, rash shirt, hat and thongs (swim cap & goggles optional)
